3. LONG BEACH BOUNDARY DETERMINATION, CHAPTER 2000/57 - W.O. 2716.

Mr. Harold A. Lingle, Deputy City Attorney, City of Long Beach, informed the Commission that as a result of hearings in Washington, D. C., the City had assurances that additional money had been made available to the Navy for repair work in the Long Beach Naval Shipyard. Mr. Lingle asked that the Commission again postpone action for another month on the boundary determination matter to allow the newly elected officials in Long Beach time to familiarize themselves with the problems.

Commissioner Carr pointed out that the very reasons advanced by Mr. Lingle for asking postponement of action were, in his opinion, reasons for taking action, in that:

1. Everyone now appears to be satisfied with the progress in the repressuring programs.
2. There no longer appears to be danger that Long Beach might lose the shipyard because of subsidence damage.
3. There does not appear to be any reason to believe that the newly elected City Council will come into office fully possessed of all the factors needed to take the boundary matter into consideration for negotiation.

UPON MOTION MADE BY COMMISSIONER CARR, SECONDED BY COMMISSIONER CRANSTON, AND UNANIMOUSLY CARRIED, A RESOLUTION WAS ADOPTED DIRECTING THE EXECUTIVE OFFICER TO INSTRUCT THE OFFICE OF THE ATTORNEY GENERAL TO TAKE THE NECESSARY LEGAL STEPS TO INITIATE COURT ACTION ON THE LONG BEACH BOUNDARY DETERMINATION, PURSUANT TO CHAPTER 2000, STATUTES OF 1957.
